- **Soft Skills:** Communication, Teamwork, Problem-Solving, Time Management

EXPERIENCE

National Telecommunication Institute (NTI) — Alex, Egypt

- Built responsive web pages using HTML5, CSS3, and JavaScript.
- Practiced DOM manipulation and event handling to create interactive components.
- Worked on real-world projects simulating client requirements.
- Applied Git and GitHub for version control and team collaboration.
- Collaborated with team members to improve UI/UX design in assigned tasks.
- Participated in code reviews and received feedback to improve code quality.

EDUCATION

Web designer national Technology Institute (NTI)
Bachelor of Commerce, department of accounting
Languages :English: Intermediate (B1)

COMMUNICATION

- Collaborated effectively with designers, backend developers, and team members to deliver responsive and user-friendly web interfaces.
- Able to explain technical concepts clearly to non-technical stakeholders.
- Strong written and verbal communication skills to document code and participate in team discussions.
- Experience working in Agile teams with regular stand-ups, code reviews, and sprint planning.
- Open to feedback and able to discuss ideas constructively to improve UI/UX outcomes.

LEADERSHIP

- Took initiative during the NTI training projects to lead UI enhancements and suggest improvements that boosted usability and visual consistency.
- Actively supported peers in understanding project structure and shared best practices in HTML, CSS, and JavaScript.
- Took ownership of frontend tasks and delivered them on time, showing reliability and responsibility.
- Encouraged teamwork by helping resolve bugs and suggesting solutions during group activities.
- Demonstrated leadership through clear task planning and coordination in collaborative assignments.
